VIP AVIATION EXPERIENCE

As part of our all-new VIP Aviation tour, you can experience what it was like to sit in the cockpit of the World's most recognisable aircraft, the Fokker Dr.I Triplane, made famous by the WWI pilot, the Red Baron. Learn all about the infamous Red Baron and the Australian who actually shot him down!

Complete the experience by donning a flying jacket and goggles and enjoy the opportunity to have your photo taken by friends or family or one of our friendly team whilst in the cockpit. As the only flying replica of this aircraft in Australia, this is an opportunity not to be missed!

Our 1.5 hour VIP Aviation Experience is a fully guided tour of The Australian Vintage Aviation Society Museum in Caboolture, which brings to life aircraft from the first 30 years of aviation history.

Learn all about Australia's only one-legged fighter ace and see the aircraft type he flew, as well as hearing stories of all of the Australians that became aces during WWI.

Our guides are all experienced pilots with a great knowledge of the history and mechanics of the aircraft on display.
